

JV Boys Basketball Head Coach '09

Adam Griggs

Q: How long have you been coaching?

A: I have coached at the high school level for 4 years and at the college level for 2 years before that

Q: Why did you leave Indian Hill to come to Sycamore?

A: I left Indian Hill because Coach Moss and I have had mutual success at building programs and successful teams. I truly believe in our process of coaching/teaching youth. Also, I was excited about the new challenge at a great school like Sycamore.

Q: How has the season gone so far?

A: I am very pleased with our season thus far. The players effort and commitment to this program has been great. I would love to be undefeated, but I am encouraged with our progress and I am confident in our ability to get better each day.
