

JV Volleyball

Coach Stan Kaniacki

Interview

1. How long have you been teaching here at SHS?

This is my 9th year teaching here, but 13th overall. I spent my first 4 years teaching at Mount Notre Dame.

2. How long have you been coaching the JV Girls Volleyball team? Did you coach before that?

This is my first year doing the JV girls team under Coach Ulland. I was the asst. varsity coach in the 2005 season under Coach Melnick. I also coached jv and freshmen girls volleyball at Mount Notre Dame from 1997-2004. I was the head boys volleyball coach here from 2000-2005 as well.

3. Do you teach any academic classes here at SHS?

Yes, I teach Geometry and Algebra 2.

4. How has the team done in past years?

I am not sure, as this is my first year with this JV team.

5. How do you think the team is going to do this year? Do any players in particular stick out to you?

We haven't won yet. Our record stands at 0-6, but we are getting better everyday. I feel we have a group of girls who are willing to work hard to improve. Hopefully, that will carry over to some wins as well.

6. Did you lose any players (either by graduating or not rejoining the team) this year that you believe will affect how well the team performs as a whole?

The JV team is brand new. All the sophomores were on the freshmen team last year and we also added two freshmen to the team as well.

7. What's your favorite color?

Green and Gold, baby!

8. Subway or Jersey Mikes?

Jersey Mikes, of course. #9, BBQ chips, and a Mt. Dew.....can't beat it.
