

# JV Mens B Soccer

## Interview Questions for Coach Sievering:

1. How long have you been coaching the boy's soccer JV B team? Coach Hinton has been with the JVB boy's team for 2 seasons. He currently has a record of 9-8-1.

2. What type of image would you say the boys soccer JV B team has? The JVB team has an image of hard work.

3. Please describe a typical practice day. A typical practice session last 90 minutes to 2 hours. The boys do a light warm up before going through a series of drills and small-sided games in preparation for the upcoming match.

4. Do you think strategy is very important during a soccer game? Strategy is an extremely important part of soccer. It is important to have an understanding of what the other team is trying to do. By understanding their goals we can develop a plan for exploiting their weaknesses.

5. How are the boys attitude towards practicing hard and improving in their skills? The boys have high standards for themselves. Each of them has aspirations to play at the varsity level one day. They generally come to practice focused and ready to improve.

6. How do the boys on the team work together while playing a game? The boys work very well together as a team. We work to get them to understand the importance of team play.

7. Have you ever tried a new way in coaching? Did you succeed? Coach Hinton has implemented things such as chess and other non-traditional methods to inspire his team and simplify the game.

8. How has the team succeeded in their games thus far? The team is currently 4-2-1, the best JVB record in over 7 years.

9. Do you have any advice for future athletes who would like to play soccer? Future players interested in the soccer program should be prepared to challenge themselves both on and off the field. They can also expect a positive and exciting environment.
