

Varsity Green Girls' Golf Head Coach '09

Q&A with Women's Varsity Golf Coach, Dr. Brackenridge

10/12/09 By-Sam Cleary

How many years have you been coaching?

This is my 17th year as a coach.

What is your position at SHS?

I'm the math department supervisor. I've taught all classes from Algebra I Standards to Multivariable Calculus. This year, I am teaching AP Statistics.

What is golf background/experience?

I have been playing since I was 2 so I have 39 years of experience.

What do you have to say about golf as a sport?

Golf is the most difficult sport to learn. To be a good golfer, you have to start early. It looks really simple when you see it on television, but it's incredibly complicated.

How does the team look this year?

Excellent. We are currently 12-3. We finished third in the GMC this year. We are among 12 teams trying to qualify for four state spots.

Who is your favorite golfer?

Jack Nicklaus. He's an Ohio guy and still the greatest golfer who ever lived.
