

Coach Scott Dattilo

Q&A

Q: How long have you been a coach at SHS?

A: This is my 4th season.

Q: Have you had any other coaching experience before?

A: Yes. 6 years as an assistant at Elder, 3 years as an assistant at Harrison, 9 years at Fairfield (6 as an assistant, 3 as the head coach).

Q: What do you love most about football?

A: It is the ultimate team sport. Everyone from the “stars” to the backups to the coaches have a vital role in the success of the team. In addition, the strategic aspect of the game is very in depth. Improving your team while preparing to beat another is a great challenge, a challenge that I find very enjoyable.

Q: What do you expect out of this season?

A: I expect to surprise a lot of people. We are a young, inexperienced team and the expectations are not that high for this year’s team. However, for the coaches & players, the expectations are still extremely high. We believe we have one of the best football programs in the area and have been working real hard to keep our winning tradition going.

Q: Who are some standout players to look out for?

A: Defensively we are looking to Paul Yanow, Tyler Dowdall, Jordan Kolb, and Tim Andrews to lead our defense. They are all captains and have a lot of experience on Friday nights. Offensively, it is hard to say. We have so many inexperienced players it is hard to predict who will step forward and make plays for us. I am hoping our senior offensive players, Austin Baas, Kevin Doherty, and DC Smith will fill the leadership roles. Only time will tell however.
