

Baseball Head Coaches '10

Chris Shrimpton

1. How long have you been coaching?

I have coached baseball for 31 years, including 25 as a varsity coach. I have also coached freshman basketball for 10 years, cross country for 7 years, and soccer for 7 years.

2. What does the outlook look like for this season?

We will be young/inexperienced at the varsity level. I think our defense will be good and our pitching staff will be much deeper than last year or even the year before. We will have excellent team speed. I'm not real sure about our hitting.

3. Who will be some of the leaders of the team?

Senior **Paul Yanow** and juniors **Jake O'Toole**, **Jake Michalak**, and **Wes Yengo**

4. Any final thoughts?

This year's team seems like it's more cohesive than last year's team. We have a very good core to build around. Once they learn to play as a team, they have a chance to be very successful. This year our goals are to go 500 and finish in the top four in the GMC. With hard work and dedication, we will be able to achieve these goals.
